1 - So many Christians today deal with depression, loneliness, and a host of other issues that cause us to doubt our worth not just in society, but in context of the church and service to the Lord. This week I would like you to begin to search for scriptures that talk about God's love for you. Feel free to use Google, actually I recommend it. When you get the list, and it will be long, open your Bible and begin to find and highlight them (don't worry, God will not strike you down for highlighting His word). Write your favorites in the space below as well as why they mean so much to you:_____

2 - Today we talked about the struggle to stay connected to the Lord. At times it can seem impossible, but God promises us that it can be done, and that He will be with us the whole way. What are the areas where you struggle the most? It may be difficult, but writing them out will allow you to see them on paper, and can serve as a constant source of inspiration to walk above your weakness and closer to the Lord:_____

3 - As we walk through our lives we come across all kinds of people. Some of those people possess qualities that you may want to develop to a higher level in your own life. What are those qualities, how do you think you should go about adding them to your life, and when are you going to start?_____
