

CHRIST IN US, PT 4 - BE STILL... AND LISTEN, NOTES PAGE

1 - Are We Supposed to Hear the Voice of God?

A - **John 10:1-15 / John 10:22-28**

2 - What does hearing Gods voice look like?

A - Notes from Francis Chan Video: What did you take away from his message? _____

B - Other than the amazing stories, I want you to notice one thing: Hearing Gods voice in both stories led to action. One of the most difficult elements to hearing Gods is doing what you believe you are hearing. _____

1 - Spend some time discussing the implications of this question: *“If you believe that you have heard from God, then do nothing with what you hear, can you truly say that you heard from God?”* _____

3 - It might be time to quiet your life down!

A - One of the difficulties we encounter when it comes to hearing the voice of God is due to all the noise in our lives. The competing voices, ideas, movies, music, Facebook, Instagram, Twitter, vacations, our retirement fund, how our stocks are doing, and the list goes on and on. On average we can hear somewhere between 30,000 and 100,000 words per day, not counting what we read, think, or speak ourselves. How do we fight the noise? _____
