

Transformation Pt 14, Arminianism

1 - A Quick Review

A - Terms: Presupposition: Election: Predestination:

B - The Calvinist Tulip: Total Depravity: Unconditional Election: Limited Atonement: Irresistible Grace: Perseverance of the Saints \_\_\_\_\_

---

---

2 - The Arminian DAISY

**A - D = Diminished Depravity:** \_\_\_\_\_

---

---

Some of the scripture used to support this view:

John 6:44 \_\_\_\_\_

---

---

1 Corinthians 2:14 - 1 Corinthians 2:10-16 \_\_\_\_\_

---

---

**B - A = Abrogated Election:** \_\_\_\_\_

---

---

---

---

For many, the idea that salvation is not based on some sort of "Election" is a violation against the Sovereignty of God. - *RC Sproul, and John Piper have stated on many occasions that because God is Sovereign mankind cannot have free will.*

---

---

---

---

---

---

---

---

**C - I = Impersonal Atonement:** That Christ died for everyone, making salvation available to anyone...\_

---

---

**D - S = Sedentary Grace:**\_\_\_\_\_

---

---

---

**E - Y = Yield-able Justification:**\_\_\_\_\_

---

---

---

“Falling” from grace, or “Loosing” your salvation, demands the premise that once we come to faith a standard must exist within the life of the believer that *maintains* the salvation they have received.\_\_\_\_\_

---

---

Hebrews 6 / John 15 / Romans 8\_\_\_\_\_

---

---

When a believer walks away from the truth of God and the salvation of Christ it is a choice that they make, nothing is stolen from them, or forced out their hands... Sometimes people just choose not to believe...\_\_\_\_\_
