On the day the Lord shut the door, there were only two types of people. Those inside the boat and safe, and those outside the boat.

Matthew 7:21-24

---

---

---

Until the day Jesus returns we have an opportunity to introduce people to the person of Christ...

B - The Pain of Understanding... Genesis 7:17-24

---

---

---

Only 8 people on the entire planet believed that God's judgment was coming... And then the first rain drop fell.

What was it like inside the Ark before the water was high enough to lift it off the ground? \_\_\_\_\_

2 - We Should Be Able To See The Effects of a Disaster That Big

A - It's one thing to say that the whole earth flooded, it is another thing to offer up the evidence.

When you are dealing with any of the historical sciences there is an inherent problem that comes with every observation about the ancient world... None of it comes with labels...

The rock layers, fossils, and bones that Evolutionists use to put forward their beliefs about history and life are the same rock layers, fossils, and bones that Creationists use to put forward our beliefs

The differences between the two views comes from the starting point of the one making the observation... their "World-View" \_\_\_\_\_
